Care for younger students under 18 years

Stuartholme School is a CRICOS-registered provider which enrolls younger students under 18 years of age.

As part of its registration obligations *Stuartholme School* must satisfy Commonwealth and state legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age- and culturally-appropriate information on:

- who to contact in emergency situations, including contact number/s of a nominated staff member, and
- how to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

Stuartholme School has documented procedures relating to child welfare and safety, and will implement these procedures in the event that there are any concerns for the welfare of a student under 18 years of age.

Accommodation and care options for overseas students under 18 years

Stuartholme School approves the following accommodation and care options for overseas students:

- 1) **The student will live with a parent or relative approved by the Department of Immigration.**

In this case:

International Student Accommodation and Welfare Policy

- i. The School does **not** provide a welfare letter (CAAW) via PRISMS. The student's family completes Form 157N and provides proof of relationship to Department of Immigration at the time of visa application for approval of these arrangements. The Department of Immigration must also approve any further change of welfare arrangements.
- ii. If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a [Student guardian Visa \(subclass 590\)](#), all obligations and conditions of this visa must be met, including:
 - a) not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the School has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence, and
 - b) advising the Department of Immigration of any change of address, passport or other changes of circumstances.

Stuartholme School requires holders of Student Guardian Visas to:

- i. maintain Overseas Visitor Health Cover for themselves and any dependent children living with them in Australia
- ii. immediately advise the School of any change to address or contact details
- iii. immediately advise the School if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the School is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the School will provide documentation approving temporary care arrangements for the student to the student's guardian and for the Department of Immigration via PRISMS.

If there is not a valid reason for travelling overseas, or if the School is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the School will advise if compulsory attendance requirements will or will not be affected by the student's absence.

2) The student will live in school approved accommodation and welfare arrangements and *Stuartholme School* will generate the welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).

Accommodation and care arrangements are checked prior to approval and at least every six months thereafter to ensure they are appropriate to the student's age and needs.

Any adults involved in or providing accommodation and welfare arrangements to the student have a blue card as appropriate (<https://www.bluecard.qld.gov.au/>).

Any changes to approved arrangements must also be approved by the School. This includes any requests by students under 18 years of age to attend "Schoolies Week" on completion of Year 12.

If a student cannot be located and the School has concerns for his/her welfare, the School will contact the student's parents / legal guardian and notify the police and any other relevant authorities.

If a student for whom the School has issued a CAAW refuses to maintain approved arrangements, the School will report this to the Department of Immigration and advise the student to contact the Department of Immigration to ensure visa implications are understood. (See Department of Immigration office addresses at: <http://www.border.gov.au/about/contact/offices-locations/australia>).

In the event of a significant or critical welfare issue involving the student, and if determined necessary by the school, a parent, legal guardian or approved relative agrees to travel to a designated location within 2 days to assume care of the student until the situation has been resolved to the school's satisfaction.

If a parent / nominated guardian wishes to assume welfare responsibility, the parent / nominated guardian must notify the school as soon as practicable of their intentions and must provide the school with written evidence of a guardian visa grant.
