POLICY STATEMENT & PROCEDURES

Stuartholme School will consider enrolment applications from students wishing to apply for a student visa, subject to compliance with minimum requirements and conditions set by the School and with legislative requirements of the State of Queensland and the Commonwealth of Australia, including any requirements to undertake extra tuition to learn English to meet the English language proficiency standard needed to enter mainstream classes.

Applications for enrolment must be made on an International Application Form. The Application Form must be accompanied by the following documents:

- Copies of Student Report Cards from the previous 3 years of study, including a copy of the latest Student Report;
- A reference from the student's current or most recent Principal;
- A completed subject choices form;
- Appropriate proof of identity and age;
- Written evidence of proficiency in English as a second language;
- Photocopy or scanned copy of passport page with name, photo identification, passport number and expiry date;
- If applicable, a letter of release if transferring from another school; and
- Evidence of payment of the Enrolment Application fee.

Where the above documents are not in English, certified translations in English are required, with necessary costs to be met by the applicant.

The School is unable to process the applications until all the required information is provided.

Applications from international students are processed according to established procedures and are dealt with on their merits.

Assessment procedures include an evaluation of reports from previous schools and of English language proficiency.

Students may be required to undertake a language proficiency test set by the School. If the assessment indicates a student's proficiency in the use of the English language is insufficient, the School will assist in referring the student to additional English study options at a recognised ELICOS institution such as the [Griffith University English Language Institute](#).

Minimum academic and English language requirements are as follows:

Academic Requirements

Students must provide evidence of satisfactory academic performance appropriate to entry to the year levels requested on the International Application for Enrolment or offered as an alternative point of entry by the School in a Letter of Offer.

For Year 7-12 students:
